## FINISHES

### PLATED METAL FINISHES

P77 Polished Chrome

## **PRE-APPROVED TEXTILES**

**The listing below provides a wide range of textiles that have been approved for use on most ISA seating products.**

Some exclusions may apply and will be noted. Textiles that have not been reviewed will require a memo sample to be submitted to ISA for testing. Please fill out our [Upholstery Approval Form](#) and submit to [ISA](#) in order to track your memo and provide a written correspondence following review. ISA welcomes customers to provide COM or alternatively we are pleased to quote any upholstery material upon request.
